## JEN'S FRIENDS CANCER FOUNDATION

Provides supplemental financial assistance to our friends, neighbors and coworkers in the Mount Washington Valley who are dealing with a cancer diagnosis. We offer assistance with groceries, gas, housing, lodging during treatment, car repairs or any other financial issue that may arise during the challenges of cancer.

Since 1998, we can proudly state that we have remained a **100% volunteer** run organization and **100% of all funds raised assist the residents dealing with cancer** in towns serviced by SAU9, SAU13, and MSAD72 school districts.

To date, we have helped over **400 families** and returned over **3 million dollars** to our community.

**WE COULDN'T DO IT WITHOUT YOU!** In the fight against cancer, you can never have too many friends.
